

Steve Landon

Claims Leader · CPCU · Data-Driven · Technology-Forward

Steve.landon@farmersinsurance.com | Lake Zurich, IL

SUMMARY

Results-driven claims leader with 18 years of experience at Farmers Insurance, specializing in large loss, catastrophic injury, and complex coverage litigation. Proven record of building high-performing teams, leveraging data and technology to drive operational outcomes, and developing adjuster talent at scale. Currently leads a team handling high-exposure claims across New York, Illinois, and Wisconsin, with a consistent track record of exceeding performance expectations at the manager level. Recognized for translating analytical insight into cultural and operational improvement.

PROFESSIONAL EXPERIENCE

Territory Manager, Complex Claims & Large Loss

January 2024 – Present

Farmers Insurance — East Zone

- Leads a team of General Adjusters handling large loss, catastrophic injury, and complex coverage claims across New York, Illinois, and Wisconsin
- Reduced team's Does Not Meet file rate by 62% year-over-year through targeted coaching and technical development upon taking over the team
- Achieved team quality metric of 91.4% (Exceeds threshold) in 2025; reserve accuracy ranks consistently among the highest in Complex Claims
- Employee Experience survey scores rank above zone, company, division, and industry averages
- Developed and a zone-wide mentorship program providing weekly technical roundtables for Tier 3 and Tier 4 adjusters across the East Zone
- Co-designed business logic for a Power BI diagnostic tool now deployed throughout Complex Claims; presented use cases to directors and leads an ongoing cross-zone focus group to identify additional use cases and streamline functionality
- Built analytics tools, SharePoint portals, and operational reporting infrastructure
- Sought out by peer Territory Managers for guidance on team development and quality improvement strategies

General Adjuster → Senior General Adjuster → Special General Adjuster

January 2016 – January 2024

Farmers Insurance — East Zone NLC / Complex Claims

- Handled large loss, catastrophic injury, and complex coverage litigation claims across the NLC/Complex Claims department
- Medicare Subject Matter Expert — presented on Medicare lien handling at invitation of Central Zone NLC office
- Guidewire Claims Center (GWCC) Subject Matter Expert — assisted in rolling out GWCC to East Zone NLC team
- Selected as Super User for Guidewire Claims Center system migration (2018-2019) — served as primary problem-solving resource during transition
- Mentored Tier 3 adjusters; led bi-weekly technical roundtables with Illinois Field Office
- Created training workshops covering CPL claims, umbrella policies, coverage analysis, and conditional demands
- Contributed to Tier 3 Technical Development Program and revamped Tier 3 Bench Strength Mentorship Program — presented to senior executives
- Co-administered T3 mentorship and onboarding programs; achieved 140% closings (2023)

Senior Liability Claims Representative → Special Liability Claims Representative

April 2012 – January 2016

Farmers Insurance — Illinois Claims Office

- Managed independent inventory of attorney-represented and litigated liability claims
- Designed an Excel-based documentation tool to standardize and improve claim file narratives — still in active use today
- Taught internal classes on intracompany arbitration handling and Medicare lien handling

- Selected as primary trainer for HEART claims system migration — trained approximately 50 staff members across multiple offices including travel to Springfield; conducted follow-up training session
- Promoted mid-tenure from Senior to Special Liability Claims Representative

Assignment Coordinator (XM)

Approximately 2010 – April 2012

Farmers Insurance — Illinois Claims Office

- Managed claim assignment and workflow for Represented Soft Tissue team
- Redesigned tracking systems and assignment structure — supervisor later noted role was "redefined" under his tenure

Liability Claims Representative / RST Claims Representative

August 2008 – Approximately 2010

Farmers Insurance — Illinois Claims Office

- Handled unrepresented soft tissue liability claims and subsequently attorney-represented soft tissue claims
- Promoted from Claims Representative to Assignment Coordinator role within approximately 18 months

Earlier Experience

2001 – 2008

Teacher's Assistant, Glenbard South High School (2008) · Blockbuster Video (2007–2008) · Shift Leader → Store Manager track, Blockbuster Video (2001–2007)
